The 2020

**BLACK
FRIDAY
SALE**

UNTIL 4PM, FRIDAY, NOVEMBER 27TH, 2020

Greetings and thank you for registering for our Black Friday Sale Event!

My name is Bill Lage and I am the Owner of Silver Sound Entertainment. We have been entertaining wedding couples since 1994 here in the Twin Cities and have consistent 5 star reviews and raving fans all across Minnesota.

The sale this week is one of the few times ever that we are running a promotion of this magnitude. We are offering one-time discounted prices across the board for our services. We are doing this for 2 reasons. First, we have a few open dates next year that we would like to fill. Second, we are testing customer response to a few of the price points we are offering. I can assure you that during this event we are offering the LOWEST PRICES EVER on our services. In fact, prior to January 1st, we are restructuring our prices and packages which will result in an increase in pricing for many services (it has been a while since we have increased our rates and our costs and quality of services have gone up).

A few warnings about the sale

1. Sale prices are for new bookings only. If you are an existing customer, you may add-on sale items to your package but cannot partake in offers for anything you have already booked.
2. Sale prices are subject to availability. Simply put, we are already fully booked for many dates. If we are not available, we will promptly refund your money for any sale purchase and notify you within 48 hours (probably sooner).
3. Quantities are limited. In this sale flyer, you can see how many of each item will be available at the discounted rate. Please note that our online system may allow bookings beyond those quantities and we will back out those orders within 24 hours. We do this as the system cannot tell what dates are available and which ones are full. Please do not get overly excited until we confirm that your booking has been finalized.
4. Sale prices require payment in full.

I truly hope that you are able to get in on these awesome deals and that we will be working together on your wedding or special event in the near future.

Best Wishes,

Bill Lage

Owner of Silver Sound Entertainment
